Experience

Freelance Designer | UX/UI & Graphic Design — New York, NY | 2019-2020

- Helping clients to improve user experience of websites and mobile applications.
- Working closely with clients on branding projects that included logo, packaging, print, and digital design.

Account Manager | EU Design — New York, NY | 2018-2019

- Managed client relationships by researching new product opportunties and meeting regularly to understand and discuss their product development needs.
- Daily communication with factories in China, India, and Italy. Analyzing data and interviewing teammates to improve production. Ensuring all timelines are met from sample development through shipping final product.
- Negotiated and calculated pricing to meet client needs as well as company profit margin. Used MS Excel to track purchase orders, sales, and client info.
- Collaborated with designers, clients, and traveled to factories to learn about new production processes.

Product Designer | M.Z. Berger & Co. — New York, NY | 2016-2018

- Designed watches, packaging, and promotional graphics for licenses from Disney, Marvel, Nickelodeon, Universal, and many more.
- Led kick-off meetings, conducted user interviews for new product ideas, and tested new products for approval.
- Collaborated with Product Managers to develop new products for best selling licenses. Performed follow up inquiries with overseas factories in China regarding development specifications, color approval, and samples.
- Provided administrative support to managers including maintaining product records and data entry.

Education

BFA: Industrial Design | Montclair State University — Montclair, NJ | 2016

- Minor: Business
